Download game version 4.61 download ps4 firmware downloa. These things will not only be useless, but they will become a burden.Q: Can't locate object method "new" via package "5Classes" I'm using 5Classes library and trying to use a method - new "5Classes::HCM.GenericWorker" This statement throws me the error - Error - Can't locate object method "new" via package "5Classes" What's the problem? A: new was declared in Module.pm, but the class you are trying to instantiate is from the package 5Classes::HCM. So you have 2 possible solutions: Declare the class you want to instantiate in 5Classes::HCM::GenericWorker.pm. You don't need to change 5Classes
